

**ANGELA D. EASTVOLD**  
**Curriculum Vitae**  
Phone: (760) 420-2640  
Email: aeastvold@aenpsych.com

---

**EDUCATION**

<u>Years</u>	<u>Degree</u>	<u>Institution (Area of Study)</u>
1990 - 1994	B.A.	University of San Diego (Psychology) San Diego, CA
1996 - 1998	M.A.	San Diego State University (Experimental Psychology/Neuroscience); San Diego, CA
2003 - 2009	Ph.D.	University of Utah (Clinical Psychology, Specialization: Neuropsychology); Salt Lake City, UT
2008 - 2009	Internship	University of Florida; Gainesville, FL
2009 - 2011	Postdoctoral Fellow	James A. Haley Veteran's Administration/University of South Florida (Clinical Neuropsychology); Tampa, FL

**BOARD CERTIFICATIONS**

11/21/2014	American Board of Professional Psychology (ABPP) Subspecialty: Clinical Neuropsychology
------------	--

**CURRENT LICENSES/CERTIFICATIONS**

2011 – Present	State of Utah: State License (UT) – Psychologist License: 80249832501 NPI # 1659652717
2017 – Present	State of California: State License (CA) - Psychologist CA 29589

**CURRENT PROFESSIONAL ROLES**

9/2017 - Present	Advanced Neurobehavioral Health of Southern California, Clinical Neuropsychologist Assess adults with a wide range of neurologic disorders (e.g., brain injury, epilepsy, multiple sclerosis, stroke) and neurodegenerative disorders, (e.g., Alzheimer's disease, frontotemporal dementia, Parkinson's disease), as well as psychiatric and conversion/somatoform disorders.
9/2017-Present	Independent Neuropsychological Consultant – San Diego Gulls professional hockey team. Provide baseline testing and postconcussion evaluations, assisting with return- to-play decision making.
2015 - Present	Angela Eastvold, PhD ABPP LLC – Private Practice (Utah, California) Independent medical exams, worker's compensation evaluations, case review/consultation, psychosexual evaluations, and forensic evaluations, both civil and criminal.

**PAST PROFESSIONAL EXPERIENCE**

**Full-Time Positions**

2011 - 2017	Assistant Professor, Clinical Neuropsychologist Neurology Department, University of Utah School of Medicine
2001 - 2003	Staff Research Associate I, University of California, San Diego, Department of Psychiatry, San Diego, CA

1999 - 2000	Staff Research Associate I, University of California, San Diego, Department of Psychiatry, San Diego, CA
1998 - 1999	Psychometrist, Henry M Jackson Foundation, Defense and Veteran's Head Injury Program, NMCSD, San Diego, CA

### **Part-Time Positions**

2015 - 2017	Independent Neuropsychological Consultant - Salt Lake Bees professional baseball team. This entailed performing post-concussive evaluations and contributing to return-to-play decision-making process.
2012 - 2017	Independent Neuropsychological Consultant - Real Salt Lake professional soccer team. This entailed completing all cognitive baseline and post-concussive evaluations and contributing to return-to-play decision-making process.
2005 - 2008	Psychometrist/ Research Assistant, LDS Hospital, Hyperbaric Department of Neurology, Salt Lake City, UT
2005 - 2008	Psychometrist, Neurorehabilitation Clinic, Cottonwood Hospital, Salt Lake City, UT
2004 - 2008	Therapist/Assessment, Center for Family Development, Salt Lake City, UT
2004 - 2005	Research Assistant, University of Utah, Department of Psychology, Salt Lake City, UT
1997 - 1998	Research Assistant, San Diego State Foundation, Center for Behavioral Teratology, San Diego, CA
1996 - 1997	Research Assistant, San Diego State Foundation, Neurobehavioral Animal Lab, San Diego, CA

### **ADMINISTRATIVE/SERVICE EXPERIENCE**

#### **Professional Organization & Scientific Activities**

2015-Present	Practice Sample Reviewer for American Board of Profession Psychology board certification applicants in Clinical Neuropsychology
2015	Committee Member, Sports Neuropsychological Society
2012-2017	Participating Member, University of Utah Sports Medicine Governing Board
2012-2016	US Army Medical Research and Material Command (USAMRMC) grant reviewer
2010 - 2013	Member, American Psychological Association, Division 40 Program Committee
2010 - 2011	Co-Organizer, International Neuropsychological Society: Co-initiated formation of International Neuropsychological Society student organization, including creation of a student symposium, selection of student poster awards and student programming for annual 2011 meeting

### **SOCIETY MEMBERSHIPS**

American Board of Clinical Neuropsychology
American Psychological Association: Division 40 - Clinical Neuropsychology
National Academy of Neuropsychology
Sports Neuropsychological Society

### **TEACHING RESPONSIBILITIES**

#### **Continuing Education**

##### **CE Courses Developed**

2013	School of Medicine CME: Concussion: Identification, Evaluation and Treatment
------	--

##### **CE Courses Taught**

2017	UPA: Concussion, Postconcussion Syndrome & CTE
2016	Utah Psychological Association Lunchtime Learning Webinar series - Effects of Stress on the Brain

2015	Neurology Grand Rounds: Concussion and Post-Concussion Syndrome
2015	Ashley Regional Medical Center: Concussion: Assessment & Management
2014	University of Utah Physician Assistant Program Preceptor Appreciation CME: Concussion: Pathophysiology, assessment and management
2013	Neurosurgery Grand Rounds: Concussion and Chronic Traumatic Encephalopathy - Overview of Pathophysiology and Management
2012	Western Intermountain Neurological Organization: Concussion and Chronic Traumatic Encephalopathy: An Overview

## **Educational Lectures**

### Didactic Lectures

2015-2017	EEG Technicians: Wada Testing
2016	Rehab Psychology Post-Doctoral Lecture Series: Concussion, Mild Traumatic Brain Injury & Postconcussion Syndrome
2015	Neuropsychology Case Conference: Epilepsy Surgical Candidacy: A case study demonstrating dissociation of language and verbal memory
2012	Resident Noon Lecture Series: Frontal Lobe Behavioral Syndromes and Associated Neuroanatomy
2012	Resident Noon Lecture Series: Neuropsychological data - What does it all mean?
2012	Resident Noon Lecture Series: Neuropsychology 101
2012	Neuropsychology Case Conference: Case Presentation/Fact Finding for
2010	Lecturer, James A. Haley Tampa VA, Internship/Postdoctoral Neuropsychological seminar series: Neuroanatomy of Memory
2010	Lecturer, James A. Haley Tampa VA, Internship/Postdoctoral Neuropsychological seminar series: Neuroanatomy of Language
2009	Lecturer, James A. Haley Tampa VA, Internship/Postdoctoral Neuropsychological seminar series: Neuroanatomy of Attention

## **University Courses**

Spring 2008	Graduate Instructor, Intro to Psychology (Online), University of Utah
Fall 2006, Spring 2007	Teaching Assistant, Research Methods, University of Utah
Summer 2005, 2006, Fall 2007	Teaching Assistant, Statistics, University of Utah
Fall 2004, 2005, 2006	Graduate Instructor, Brain and Behavior, University of Utah
Spring 2005	Graduate Instructor, Cognitive Assessment Lab, University of Utah

## **Trainee Supervision**

2011-2016	University of Utah: Clinical training and supervision of graduate students from the University of Utah and Brigham Young University, and University of Utah postdoctoral fellows in neuropsychological assessment of a wide range of neurologic and psychiatric conditions.
-----------	---

## **PEER-REVIEWED JOURNAL ARTICLES**

1. Swerdlow NR, Gerbranda T, Hartman P, **Eastvold A**, Uyan KM, Doan Q, Auerbach P (2000). Effects of caffeine on sensorimotor gating of the startle reflex in normal control subjects. *Biol Psychiatry*, 47, 37S.
2. Swerdlow NR, **Eastvold A**, Gerbranda T, Uyan KM, Hartman P, Doan Q, Auerbach P (2000). Effects of caffeine on sensorimotor gating of the startle reflex in normal control subjects: impact of caffeine intake and withdrawal. *Psychopharmacology (Berl)*, 151(4), 368-78.
3. Swerdlow NR, **Eastvold A**, Uyan KM, Ploum Y, Cadenhead K (2001). Matching strategies for drug

- studies of prepulse inhibition in humans. *Behav Pharmacol*, 12(1), 45-52.
4. Swerdlow NR, Karban B, Ploum Y, Sharp R, Geyer MA, **Eastvold A** (2001). Tactile prepuff inhibition of startle in children with Tourette's syndrome: in search of an "fMRI-friendly" startle paradigm. *Biol Psychiatry*, 50(8), 578-85.
  5. Swerdlow NR, **Eastvold A**, Karban B, Ploum Y, Stephany N, Geyer MA, Cadenhead K, Auerbach PP (2002). Dopamine agonist effects on startle and sensorimotor gating in normal male subjects: time course studies. *Psychopharmacology (Berl)*, 161(2), 189-201.
  6. Suchy Y, **Eastvold A**, Whittaker WJ, Strassberg D (2007). Validation of the behavioral dyscontrol scale-electronic version: sensitivity to subtle sequelae of mild traumatic brain injury. *Brain Inj*, 21(1), 69-80.
  7. **Eastvold AD**, Heaton RK, Cadenhead KS (2007). Neurocognitive deficits in the (putative) prodrome and first episode of psychosis. *Schizophr Res*, 93(1-3), 266-77.
  8. Suchy Y, Rau H, Whittaker WJ, **Eastvold A**, Strassberg D (2009). Facial affect recognition as a predictor of performance on a reading comprehension test. *Appl Psychol Crim Justice*, 5(1), 73-89.
  9. Suchy Y, Whittaker WJ, Strassberg DS, **Eastvold A** (2009). Facial and prosodic affect recognition among pedophilic and nonpedophilic criminal child molesters. *Sex Abuse*, 21(1), 93-110.
  10. Suchy Y, Whittaker JW, Strassberg DS, **Eastvold A** (2009). Neurocognitive differences between pedophilic and nonpedophilic child molesters. *J Int Neuropsychol Soc*, 15(2), 248-57.
  11. **Eastvold A**, Suchy Y, Strassberg D (2011). Executive function profiles of pedophilic and nonpedophilic child molesters. *J Int Neuropsychol Soc*, 17(2), 295-307.
  12. **Eastvold AD**, Belanger HG, Vanderploeg RD (2012). Does a third party observer affect neuropsychological test performance? It depends. *Clin Neuropsychol*, 26(3), 520-41.
  13. Strassberg DS, **Eastvold A**, Wilson Kenney J, Suchy Y (2012). Psychopathy among pedophilic and nonpedophilic child molesters. *Child Abuse Negl*, 36(4), 379-82.
  14. **Eastvold AD**, Walker WC, Curtiss G, Schwab K, Vanderploeg RD (2013). The differential contributions of posttraumatic amnesia duration and time since injury in prediction of functional outcomes following moderate-to-severe traumatic brain injury. *J Head Trauma Rehabil*, 28(1), 48-58.
  15. Suchy Y, **Eastvold AD**, Strassberg DS, Franchow E (2014). Understanding processing speed weaknesses among pedophilic child molesters: response style vs. neuropathology. *J Abnorm Psychol*, 123(1), 275-85.
  16. Suchy, Y, Euler, M, **Eastvold, A.** (2014). Exaggerated reaction to novelty as a subclinical consequence of mild traumatic brain injury. *Brain Inj*, 28(7), 972-9.

## **BOOK CHAPTERS**

1. **Eastvold A** (2010). Encyclopedia entries: paralysis Agitans (definition); Leukoariosis (definition); CADASIL (short entry); Small vessel ischemic disease (medium entry). In Kreutzer JS, DeLuca J, Caplan B (Ed.), *Encyclopedia of Clinical Neuropsychology*. New York: Springer Publishing.

## **ABSTRACTS/ POSTER PRESENTATIONS**

1. Langlais PJ, **Eastvold A**, Ciccia R, Hall T, Lopez N, Michaels L, Ward C, Bernard T, Schields T, Terry M, Gatoska S (1997). *Cortical and limbic neuronal degeneration following chronic ethanol exposure and multiple episodes of thiamine deficiency*. Poster session presented at Annual meeting of the Research Society on Alcoholism, San Francisco, CA.
2. Mattson SN, **Eastvold AD**, Jones KL, Harris JA, Chambers CD (1999). *Neurobehavioral follow-up of children prenatally exposed to fluoxetine*. Poster session presented at Annual meeting of Teratology, Palm Beach, FL.
3. **Eastvold A**, Drake A, Gramling L (1999). *Executive functions and processing speed following mild traumatic brain injury*. Poster session presented at 3rd World Congress on Brain Injury meeting, Quebec City, Canada.
4. **Eastvold A**, Drake A (1999). *Neuropsychological impairment in acute versus non-acute mild traumatic brain injury. [Also an Abstract]*. Poster session presented at Annual meeting of the National Academy of Neuropsychology meeting, Miami, FL.

5. **Eastvold A**, Drake A (2000). *Qualitative aspects of verbal memory following traumatic brain injury. [Also an Abstract]*. Poster session presented at Annual meeting of the International Neuropsychology Society, Denver, CO.
6. Swerdlow NR, **Eastvold A**, Ploum Y, Sharp R, Karban B, Geyer MA, Braff DL, Auerbach P (2000). *Tactile pre-puff inhibition and acoustic prepulse inhibition of startle in children: Preliminary findings in Tourette's Syndrome. [Also an Abstract]*. Poster session presented at annual meeting of Biological Psychiatry.
7. Swerdlow NR, **Eastvold A**, Ploum Y, Karban B, Auerbach P (2000). *Time course studies of dopamine (DA) agonist effects on prepulse inhibition (PPI) in humans. [Also an Abstract]*. Poster session presented at Annual meeting of Biological Psychiatry.
8. **Eastvold A**, Cadenhead K (2003). *Neurocognitive markers in prodromal schizophrenia. [Also an Abstract]*. Poster session presented at International Congress On Schizophrenia Research, Springs, CO..
9. Cadenhead K, Shafer K, Haroun N, **Eastvold A**, Keith J, Kristensen K, Seeber K (2004). *Vulnerability markers in Individuals at-risk for psychosis*. Poster session presented at International Conference on Early Psychosis, Vancouver, CA.
10. **Eastvold A**, Derbridge C, Cope C, Suchy Y (2004). *Test-retest reliability of an electronic alternative to the Trail Making Test. [Also an Abstract]*. Poster session presented at Annual meeting of the National Academy of Neuropsychology, Seattle, WA.
11. Strassberg DS, Whittaker JW, Suchy Y, **Eastvold A** (2005). *Neurocognitive functioning in pedophilic child molesters, non-pedophilic child molesters, and normal adult males. [Also an Abstract]*. Poster session presented at Annual meeting of the International Academy of Sex Research, Ottawa, Ontario, Canada.
12. **Eastvold A**, Suchy Y, Whittaker JW, Strassberg D (2005). *Neurocognitive functioning of the frontotemporal region in pedophilic and non-pedophilic child molesters*. Poster session presented at Annual meeting of the National Academy of Neuropsychology, Tampa, FL.
13. **Eastvold A**, Suchy Y (2005). *The Trail Making Test - Part B and its relationship to the prefrontal cortex. [Also an Abstract]*. Poster session presented at Annual meeting of the International Neuropsychological Society, St. Louis, MO.
14. Cadenhead K, **Eastvold A**, Braff D, Heaton R (2005). *Neurocognitive Deficits in Prodromal and First Episode Schizophrenia are Stable and Predictive of Social Functioning*. Poster session presented at Annual meeting of the American College of Neuropsychopharmacology, Waikoloa, HI.
15. **Eastvold A**, Whittaker JW, Suchy Y, Strassberg D (2006). *Affect recognition in sex offenders. [Also an Abstract]*. Poster session presented at Annual meeting of the National Academy of Neuropsychology, San Antonio, TX.
16. **Eastvold A**, Suchy Y, Strassberg D, Whittaker JW (2006). *The detection of subtle executive deficits with the Behavioral Dyscontrol Scale-Electronic Version in a sample of sex offenders. [Also an Abstract]*. Poster session presented at Annual meeting of the International Neuropsychological Society, Boston, MA.
17. Strassberg DS, Whittaker WJ, Suchy Y, **Eastvold A** (2006). *Neurocognitive functioning in pedophilic and non-pedophilic child molesters. [Also an Abstract]*. Poster session presented at Annual meeting of the Society for the Scientific Study of Sexuality, Las Vegas.
18. **Eastvold A**, Suchy Y, Kraybill M, Kuss K, Franchow E (2007). *Inverse relationship between inhibition and switching: Evidence from the BDS-EV and the DKEFS Color-Word Interference. [Also an Abstract]*. Poster session presented at Annual meeting of the International Neuropsychological Society, Portland, OR.
19. **Eastvold A**, Suchy Y, Kraybill M (2008). *Deconstructing reaction time: Utility for neuropsychological research. [Also an Abstract]*. Poster session presented at Annual meeting of the International Neuropsychological Society, Waikoloa, HI.
20. **Eastvold A**, Franchow E, Green R, Hudak J, Theiroff R, Strassberg D, Suchy Y (2009). *Reduced processing speed in pedophilic men. [Also an Abstract]*. Poster session presented at Annual meeting of the International Neuropsychological Society, Atlanta, GA.
21. **Eastvold A**, Belanger H, Vanderploeg R (2010). *Third party observers and neuropsychological test*

- performance: A meta-analysis. [Also an Abstract].* Poster session presented at Annual meeting of the American Psychological Association, San Diego, CA.
22. **Eastvold A**, Walker WC, Schwab K, Vanderploeg RD (2010). *Differential contribution of posttraumatic amnesia duration and time since injury in prediction of functional outcomes following moderate to severe traumatic brain injury. [Also an Abstract].* Poster session presented at Annual meeting of the American Academy of Clinical Neuropsychology, Chicago, IL.
23. **Eastvold A**, Fennell E (2010). *Herpes simplex virus encephalitis: Serial neuropsychological assessments characterize memory, language and executive impairments. [Also an Abstract].* Poster session presented at Annual meeting of the International Neuropsychological Society, Acapulco, Mexico.

**Master's Thesis**

1998                   **Eastvold A.** The neurobehavioral effects of prenatal exposure to fluoxetine: Assessment of 4-to 6-year old children. Master's thesis, San Diego State University.

**Doctoral Thesis**

2009                   **Eastvold A.** Executive function profiles in pedophilic versus non-pedophilic child molesters. Doctoral dissertation, University of Utah.
